Growth and Excellence, Every Day

01 September 2023

Dear Parents, Carers and Families,

Welcome, back to a new school year!

I hope that you are all well and have had a lovely, relaxing summer break.

As promised, I am writing to you to outline a number of changes to the entrances and exits to school; as well as general reminders.

The safety of everyone, is of upmost importance. Therefore, from Wednesday 6th September, we will be trialling a different way to come into school – attempting to reduce the amount of people queuing on the main road.

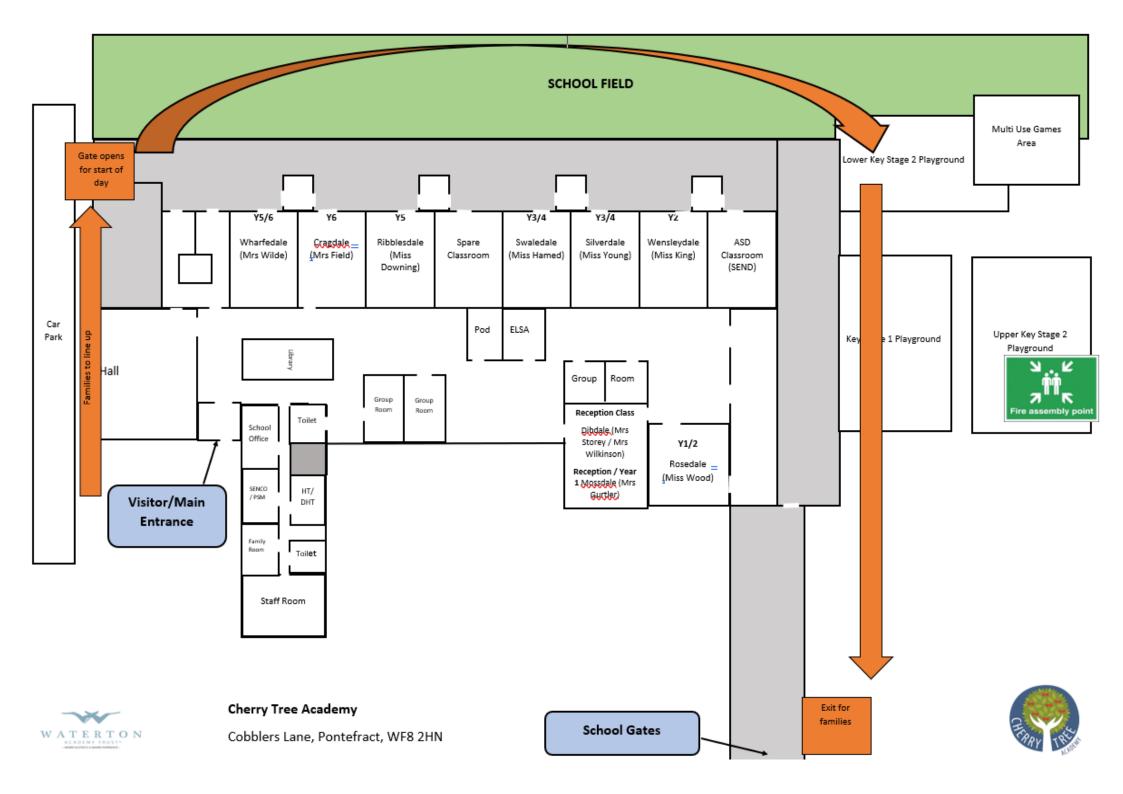

School gates will open at 08:40 and families are invited to enter school from the side of the school hall.

Once children have been dropped off, adults will walk around the outside of the school building and out of the gate, that exits onto the main road.

I would welcome any feedback on this. The map and photos, below, outline where the entrance to school will be as indicated by the orange arrows.

The school car park will not be accessible from 08:30-09:00 and 15:00-15:30, daily. As always, there will be staff around school who will be able to support and guide you to the entrances / exits of the site. Look out for staff, wearing Hi-Viz jackets.

Walking home from school:

From September, **only** pupils in year 6 will be allowed to walk home alone. Other pupils, including those in year 5 will need to be collected by a parent, carer or responsible family member.

Children, except those who are walking home alone, will not need a mobile phone in school, as a result.

I certainly do not want to inhibit our pupils becoming independent but ultimately, the safety, care and welfare of our pupils is my top priority.

Inset Days:

We have two inset days booked in for September. These dates are: Monday 4th and Tuesday 5th September. **Pupils are not in school on these days.**

School will reopen for pupils on Wednesday 6th September at 8:40am.

The remaining inset days are below (subject to change):

- Friday 24th May 2024
- Friday 19th July 2024
- Monday 22nd July 2024

School Meals:

The menu is (subject to change):

School meals are charged at £2:80 per day.

What's in a healthy lunchbox?

Children are encouraged to bring a healthy snack for break-times. This should ideally be provided in a small named container.

Children in the infants are able to take part in the National fruit scheme, which means that a range of fruits and vegetables are provided every day - free! In addition to this you can also purchase milk for your child in the infants (Ask for details at the school office).

If you are struggling for ideas for healthy snacks that your child might like there are websites such as www.schoolfoodtrust.org / www.greatgrubclub.com which may prove useful.
