Dear Parents, Carers and Families,

Happy New Year!

I hope you and your families had a restful and enjoyable Christmas break, filled with warmth and joy.

As we step into 2025, I want to take a moment to express my gratitude for your continued support of the school community.

We are excited to welcome the students back and look forward to a positive and productive term ahead.

The start of a new calendar year is a wonderful opportunity for reflection and renewed focus. We are committed to ensuring that all students continue to receive the best possible education and support as they progress in their learning.

If you have any concerns or would like to discuss your child's well-being or academic progress, please do not hesitate to get in touch with us. Your child's class teacher is always on hand to speak with you about any worries or concerns that you may have.

The term ahead is filled with exciting opportunities for growth, both in and outside the classroom.

As promised, before the Christmas break, I am now in a position to update you on the leadership of SEND at Cherry Tree. I am pleased to announce that Miss King will be leading our SEND provision until February half-term.

We are planning various activities and learning experiences, and we encourage all students to engage actively and make the most of the coming months.

As always, our priority is the safety and well-being of each child.

If there is anything we can do to support you or your child, please reach out to us.

We are here to help and ensure a positive experience for everyone.

Wishing you all a happy, healthy, and successful year ahead.

Warm regards,

Mr Adam Dawson
