Purpose and Aims

The purpose of this policy is to outline Cherry Tree Academy's approach to providing a high-quality Breakfast Club for our pupils. The Breakfast Club is designed to offer a calm, nurturing, and inclusive environment where children can start their day positively. By providing a nutritious breakfast, we promote healthy eating habits, support pupil wellbeing, and enhance readiness for learning. The club also fosters positive relationships among pupils and staff, helping children feel settled and supported before the school day begins. Additionally, the Breakfast Club supports families by offering affordable, accessible childcare.

This initiative aligns closely with Cherry Tree Primary School's vision of fostering growth and excellence every day. It reflects our core values of being considerate, healthy, honest, inclusive, and resilient. Through this program, we ensure that every child starts the day well-nourished, ready to learn, and equipped to build positive relationships, helping them achieve their best and grow as individuals.

Operational Procedures

Breakfast Club Hours and Attendance

- The Breakfast Club will operate from 08:00 am to 8:45 am on all school days.
- Parents/carers must register their child for the Breakfast Club and pay the required fees in advance.
- Pupils are expected to arrive at the Breakfast Club by 8:15 am to ensure they have time to eat their breakfast and participate in activities before the start of the school day.
- Attendance at the Breakfast Club will be recorded and any absences followed up with parents.

Booking

Bookings for Breakfast Club are made and paid for in advance on a weekly basis, with each session costing £3.00 per child. All bookings are completed through the MCAS system. Once applications have been reviewed, confirmation of a place will be sent to parents/carers in writing.

As the school employs staff specifically to run Breakfast Club, it is essential that pupil numbers are consistent and planned for. This ensures that staffing ratios are appropriate for different age groups and that the right amount of food can be purchased, which allows us to keep costs as low as possible.

Wherever possible, the school will accommodate all applications made through the booking system. However, as Breakfast Club is often oversubscribed, places are allocated carefully to maintain consistency in numbers. A clear rationale is in place to support fair allocation when demand is higher than available capacity.

When Breakfast Club is oversubscribed, places will be allocated according to the following priority order:

Priority 1 – Children requiring full-time places (every day, every week).

Priority 2 – Children requiring part-time but permanent sessions (the same days each week, subject to availability).

Priority 3 – Children who already attend the club and require permanent extra sessions.

Priority 4 – Siblings of children who already attend the club.

Priority 5 – Children requiring irregular sessions.

At each stage of allocation, pupils who meet the criteria are considered on a first come, first served basis before moving on to the next priority group. Once ratios are reached, the club is considered full and the allocation process will cease. For example, if all available spaces are taken after Priority 1 applications, pupils in later categories may not be offered a place. In addition to the set priority criteria, the school may choose to allocate places to families who meet the definition of *exceptional circumstances*. These places may be allocated for a fixed or limited period of time. Within each priority category, the worker status of parents will also be considered, particularly those working in health and social care, education, public safety, or emergency services, which may influence allocations. Pupils for whom the school receives Pupil Premium funding may be able to access Breakfast Club free of charge. Parents wishing to explore this should speak to the school office in the first instance.

In the event of oversubscription, a waiting list will be maintained and families will be notified when a place becomes available.

Breakfast Menu and Nutrition

The Breakfast Club will provide a range of healthy and nutritious breakfast options that may include:

- Cereals (low in sugar)
- Toast with a variety of toppings (e.g., butter, jam, honey)
- Fresh fruit
- Yoghurt
- Pastries (Monday and Friday only)
- Milk, water, and fruit juice

The school's catering team will work closely with the Breakfast Club staff to plan the menu and ensure it meets the School Food Standards. Pupils with specific dietary requirements or allergies will be catered for provided the booking is made in advance. Parents/carers will be asked to provide relevant information upon booking.

Activities and Enrichment

The Breakfast Club will offer a variety of activities and games to engage pupils, including:

- Physical activities (e.g., indoor sports, dance, yoga)
- Creative and craft activities
- Board games and puzzles
- Quiet reading and homework support

Pupils will have the opportunity to participate in these activities, as well as free play and socialisation. The Breakfast Club staff will plan and deliver a balanced programme of activities to support the physical, social, and cognitive development of pupils.

Behaviour and Safeguarding

Pupils attending the Breakfast Club are expected to adhere to the school's behaviour policy as well as any additional rules or expectations established by the Breakfast Club staff. The staff will foster positive behaviour by using praise, rewards, and clear consequences for unacceptable behaviour. All Breakfast Club staff will be trained in safeguarding and child protection procedures and will follow the school's safeguarding policy and procedures. Any concerns regarding a pupil's wellbeing or safety will be reported to the school's Designated Safeguarding Lead (or DDSL in their absence) in accordance with the school's safeguarding policy.

Fees and Financial Management

The school will set the fees for the Breakfast Club, considering the cost of staffing, resources, and food. Fees will be reviewed annually to ensure the Breakfast Club remains affordable and accessible for families. **Parents/carers will be required to pay the Breakfast Club fees in advance, upon booking.** The Senior Admin Officer will be responsible for managing the financial records, including income, expenditure, and any outstanding payments.

To ensure that the Breakfast Club at Cherry Tree Academy is safe, inclusive, and financially sustainable, the school will implement several key strategies. Safety will be prioritised by adhering to rigorous health and safety protocols, maintaining appropriate staff-to-student ratios, and providing ongoing staff training in safeguarding and first aid. Inclusivity will be ensured by welcoming all pupils, regardless of background or needs, and by creating a supportive environment where every child feels valued. Financial sustainability will be achieved through careful budgeting, securing funding or subsidies where possible, and setting affordable fees for families, while regularly reviewing costs to maintain quality and accessibility.
